

# Chateau de Lartigolle.

## How to get to us.

### Driving from Blagnac, Toulouse airport

From Toulouse airport follow the sign towards Toulouse. After about 1km you will see your first sign for Auch. Keep following the signs for Auch. This will take you off the Toulouse ring road and on to the N124.

Follow the N124 out of Toulouse for 50kms, past Colomiers, Leguevin, past l'Isle Jourdain and through the town of Gimont.

### New bypass coming soon

There is a new bypass of Gimont town that is due to open at some point at the end of 2020 or in 2021, we are not sure exactly when but you should look out for this as you approach the town of Gimont. If you enter the town you will have missed it. If you do find yourself on it then you should look out for the exit to Samatan, Saramon or Pessan. That will put you half way down the D12 and you can then follow the directions below from the point we have marked with this symbol (➤).

If the bypass is not open then go through Gimont town and just as you leave you will come to a roundabout; take the third exit in the direction of Saramon on the D12.

(➤) Follow the D12 for 10kms (or 5kms if exiting the new bypass) and you will come to another roundabout with signs for Samatan (left), Saramon (straight on) and Pessan and Auch (right) – take the Pessan / Auch exit on to the D349.

After following the D349 for about 7kms you drive straight past the Aubiet/Castelnau Barbarens crossroad and continue on this road. Ignore another turning to Castelnau Barbarens on your left and keep on the same road, bearing round to the right. You will then pass, about 50 metres from the road on your right, a white water tower with aerials on the top. You are now on the D626.

After a further 1km you will see a turning to the left. Take the left turn. This is the corner of our property, on your left you will see an open field, on the right a bank topped with trees. After 100 metres on the right is a set of large white gates on a pair of sandstone pillars. This is the main entrance to the chateau. Drive through the gates and follow the avenue of ancient oaks past the vineyard and orchard on the

right, and the tennis court with views of the pool and the valley beyond on your left. The avenue takes a left turn and the chateau is directly ahead.

### Travelling by Train

If you have a little more time to enjoy your journey you might consider taking the Eurostar from Kings Cross to Paris, then catch a train from Paris to Toulouse, that should take about 4.5 hours

Once you get to Toulouse you can then take a local train to Auch, which is the closest station to us. That will take about an hour and then it is a 15 minute taxi ride to Chateau de Lartigolle.

Have a safe trip and we look forward to meeting you here very soon.
